An aerial photograph of a road intersection. A multi-lane road runs diagonally from the top left to the bottom right. It features orange dashed lines for lane markings and red dashed lines for a specific lane. Several traffic signs are visible: a blue rectangular sign with a white 'P' and '18b' below it; a white rectangular sign with a blue 'P' and '18b' below it; a yellow rectangular sign with a red circle and a black truck icon, with '12t MDO' below it; and a white rectangular sign with 'B 4' and 'E13' below it. Road markings include 'Z4' and 'Z4b'. A blue rectangular sign with '13' is also present. The surrounding area includes green grass, trees, and a building with a brown roof on the left. A large bridge or overpass is visible on the right side of the image.
